

# StudyBreak Privacy Policy

*Last modified on **December 5th 2024***

Thank you for using the StudyBreak app. This document details the developer's privacy policy regarding the collection and use of your personal information. This application was created by the developer Kenechi Okolo. For the remainder of this document, the aforementioned app shall be referred to as the Application or simply StudyBreak and Kenechi Okolo shall be referred to as the developer.

## Information Collection and Use

StudyBreak app gathers information regarding the user's settings and usage statistics as displayed on the Stats page. This information is stored on the device and never leaves the device.

The usage statistics can be deleted by the user by pressing the trashcan icon displayed on the stats for individual days. The stored data regarding the user's settings is used for the core functionality of the app so that the user doesn't have to input new settings every time the app is opened. This data cannot be deleted within the app, however, the user can erase the data from their device by uninstalling the application. If the user decides to download and use the app again, then new data regarding the user's settings will be created and stored.

## AI-Powered Features

StudyBreak now incorporates AI technology to enhance the user experience with features such as study plan generation and deep dive podcast creation.

## Data Usage for AI Features:

The app uses user-provided inputs such as study goals, subject areas, study syllabus, imported pdf files and time availability to generate personalized study plans and podcasts. These inputs are processed using third party providers.

The data collected for these AI-powered features is used solely for the purpose of generating the requested study plans or podcasts and is not stored beyond the processing session.

## What Are My Opt-Out Rights?

There is an opt-out option for users of this Application:

Opt-out: You may uninstall the Application using the standard uninstall processes as may be available on your mobile device or via the mobile application marketplace or network.

If you'd like to opt-out from third-party use of your information to help serve targeted advertising, please visit the section above on advertising.

## **Children**

The Application is not used to knowingly solicit data from or market to children under the age of 13. If a parent or guardian becomes aware that their child has provided information without their consent, they should contact the developer at [studybreaksupport@kenech.io](mailto:studybreaksupport@kenech.io). Such information will be deleted within a reasonable time.

## **Changes**

This Privacy Policy may be updated from time to time for any reason. You will be notified of any changes to the Privacy Policy by posting the new Privacy Policy here and highlighting the changes in the app. You are advised to consult this Privacy Policy regularly for any updates, as continued use of the app is deemed approval of all changes.

## **Your Consent**

By using the Application, you consent to the processing of your information by the developer as set forth in this Privacy Policy now and as amended by the developer. "Processing" means using cookies on a computer/handheld device or using the information in any way, including, but not limited to: collecting, storing, deleting, using, combining, and disclosing information.

If you reside outside the EU, your information will be transferred, processed, and stored there under EU privacy standards.

Contact the Developer

If you have any questions regarding the information above, please do not hesitate to contact the developer at [studybreaksupport@kenech.io](mailto:studybreaksupport@kenech.io).
